

December Newsletter

Dear Parents,

This is truly my very favorite time of the year. It's a time for reflection on our many blessings the Lord has given us and His gifts we receive daily.

The children are already preparing for their Christmas program which is a wonderful way to begin our Christmas break. We are looking forward to seeing all of you at this very special program.

The EEC staff wishes you and your family an early Merry Christmas.

God Bless

Thank you to all who purchased or sold cookie dough and other food items for our preschool fundraiser. When the figures are in, hopefully, we'll be able to purchase or upgrade our security system.

- The children will have the opportunity to participate in Christmas story telling with JoHo the Storyteller at our in-house field trip on December 1st and 2nd.
- **Holy Cross Early Education Center will be closed** for our Lord's birthday December 19 through January 2. Classes resume January 5, 2009.

Please have your children wear or bring outerwear clothing (coats, hats, mittens) marked with their name, each day to school as we do go outside as much as we possible, even in the winter if the weather permits.

Mark your calendars!! Our Christmas Program is scheduled for December 14th at 3:00 p.m. in the gym at Holy Cross Elementary School. Please have your child in Pfumm Hall, down the hall from the gymnasium 15 minutes prior to the start time. Last year, our program was rescheduled due to an ice storm. Please make sure we have your updated phone numbers so we can contact you in case this happens again this year. We will also ask each family to bring 1 dozen cookies or sweet treat to share at our reception immediately following our program.
