

## September Newsletter

Dear Parents,

We are delighted to be writing this letter to welcome you and your child to Holy Cross Early Education Center! It was exciting to see all the smiling faces on our first days of school. There were only a few tears, which is natural for such young children when adjusting to a new environment. Our new bathrooms with the tiny potties and faucets with sensors have been serving us well. Everyone loves the bright new look!

All of us at the EEC are excited to be working with you as we strive to build a true partnership with each family through understanding, cooperation and communication. Our doors are open to you and for you.

Sincerely,  
Penny Miller, Director  
Stefanie Bridges, Assistant Director

The carline has been going very well. Thanks, parents, for doing a great job with this. Monday, Wednesday, and Friday mornings seem to be the only time we need to pull into the middle parking slots. If you use the carline of MWF mornings, please continue to use this procedure unless. We would appreciate it if you could let any other people picking up your child know about our procedure.
